2D KITCHEN

Rental Rate: \$500/day + HST

Our full scale prep kitchen offers our clients access to essential cooking appliances, utensils, and work surfaces, making it ideal for any food-related shoots. This facility is intended solely for food prep and styling and is not for use as a set or venue to serve catering. Conveniently adjacent to Studio Foxtrot, our tabletop space, as well as our larger grey-walled space, Studio Bravo, the 2D Kitchen has ample room for multiple people to work simultaneously and is never far from your set.

The kitchen is available as an additional facility rental to compliment any of our studio spaces. For more information please contact us at info@2dhouse.com
