

Freelance Driver/Swing

Company Description

We are seeking experienced individuals to join our team on a freelance/on-call basis. At 2D House Inc., we pride ourselves on innovation and delivering unparalleled customer service. Our mission is to create a seamless and welcoming experience for clients, ensuring confidence and satisfaction with their equipment and studio rentals. Additionally, we are committed to driving environmentally friendly practices and advancing sustainability in the industry.

About The Role

The Freelance Driver/Swing is responsible for transporting 2D House Package Trucks to and from production sets, dispensing equipment to technicians, and supporting lighting and grip departments as needed. This on-call role requires strong organizational skills, familiarity with 2D House's inventory, and the ability to work both independently and collaboratively. Swings act as additional hands on set but are not expected to operate as a head of department or supervisory role.

Key Responsibilities

- Drive 2D House Package Trucks between the studio and film production sets, ensuring timely and safe transportation of gear and equipment.
- Dispense equipment from the Package Trucks to production technicians on set, assisting in the efficient setup and use of gear.
- Provide additional support to the lighting and grip departments when hired as a Driver/Swing.
- Maintain the inventory of equipment within the Package Trucks, ensuring all items are accounted for and in working order.
- Keep the contents of the Package Trucks clean, organized, and ready for use.
