

Lighting and Grip Tech

Job Description

We are looking for experienced Lighting and Grip technicians to join our team on a Full-time basis. We focus on innovation and pride ourselves on the best customer service possible. Our goal is simply to create a portal for customers and clients to feel comfortable, confident, and happy with their equipment rentals. 2D House Inc. is also making strong efforts to reform industry practices with a focus on environmentally friendly innovations and services.

About The Role

The Rental Technician (Rental Tech) is an imperative role within 2D House. Rental Techs will be responsible for various tasks around technical servicing and maintenance for all Lighting and Grip equipment. The individual must be able to work individually as well as in a team environment, be well organized and flexible.

Responsibilities

- Processing/Barcoding new equipment
- Prepping outgoing orders
- Checking in/out gear for clients
- Quality Control/inspection of gear for incoming and outgoing orders
- Providing technical assistance and educating clients on equipment
- Providing telephone support for clients in the field
- All other duties as assigned
