## Job Description

---

We are looking for experienced people to join our team on a Full-time basis. We focus on innovation and pride ourselves on the best customer service possible. Our goal is simply to create a portal for customers and clients to feel comfortable, confident, and happy with their equipment rentals. 2D House Inc. is also making strong efforts to reform industry practices with a focus on environmentally friendly innovations and services.

## About The Role

---

The in-house Tradesperson will have a wide gamut of responsibilities and ultimately work to provide support for all other departments at 2D House. The role is not directly related to day-to-day operations of the rental or studio branches of the company. The role includes wood-working, laser cutting and engraving, CNC and 3D printing and a variety of other skills. Between making internal use signage (studio signs, equipment case labels), apple boxes for inventory and other projects the role is best suited for a handy individual interested in a variety of crafts and capable of self-managing projects to completion.

## Responsibilities

---

- Manage and maintain a tidy workshop
- Build apple boxes and other hardware for rental inventory or organization
- Create signage for studio clients
- Create custom lighting fixtures
- Maintain and service company assets (carts, tongue dollies, skyjacks, etc)
- Create custom solutions as required
- Organize materials and work with vendors to ensure material levels are at appropriate volumes
