

Freelance Driver/Swing

Company Description

We are looking for experienced people to join our team on an On-Call Basis as a Freelance Driver/Swing. As an industry leader in service and quality, we are always aiming to go above and beyond our client's expectations. We offer a wide range of services including Camera Equipment, Lighting and Grip gear, Package Trucks and Motion Control Robots. These services, along with our unique Studio facilities, make 2D House one of the most turnkey production service companies in Toronto, providing our client's the tools to excel on set and reduce their carbon footprint.

About The Role

The Freelance Driver/Swing will drive as well as assist the lighting and grip departments on film production sets where 2D House Package trucks have been employed. The basis of this role involves transporting the package trucks to and from 2D to set as well as dispensing equipment available on the trucks to the Production's technicians. Swings are sent out to production as an additional set of hands through 2D House but are not expected to operate as a head of department or supervisory role. The ideal candidate must be able to work independently as well as in a team environment, be well organized, familiar with 2D House's inventory and understanding of the on-call nature of the position.

Responsibilities

- Driving 2D House Package Trucks from 2D to Film Production Sets
- Dispensing equipment from the Package Trucks to production technicians
- Maintaining inventory and cleanliness of Package Truck contents
- Providing support to Lighting and Grip departments (when hired as a Driver/Swing)
