2D STUDIOS HOUSEKEEPING NOTES

Please loop in studios@2dhouse.com to your call sheet for any and all days it applies while working in 2D Studios.

SITE ACCESS

Entrance/Parking

Please have all of your crew enter through the Southwest man-door next to the Dock-level Loading bay. This door will be open and accessible 15 minutes before your earliest call time. Crew parking is on the Southwest/West side of the building. A map can be found on the [last page of this document](#).

Staff

A Studio Representative will be on-site at all times. If you require any assistance please do not hesitate to ask. Any specific billing inquiries should be directed to the Studio Manager/CSR.

At the end of your shoot day please contact the Studio Rep on site either in person or by calling the phone number provided at the Studio Desk to let them know you are leaving the building.

If you are working on a multi-day production you are welcome to lock up your Studio and associated production offices at the end of the night, our staff will re-open the doors in the morning. Crews can “walk away” during a multi-day shoot however at the end of the shooting term we ask that all rented equipment be broken down and staged outside of the Studio.

Rates

Studio rental rates are based on a 12 hour day from your crew call until the last crew member leaves, any time exceeding 12 hours is billed at **\$150/hour**.

If you require additional Production offices during your shoot outside of your allotted/attached facilities they are available for an additional **\$50 per room**.

GARBAGE/RECYCLING DISPOSAL

We provide every production with 1 garbage bin, 1 recycling bin and 2 bags per bin per studio. Any additional garbage bags provided by 2D House will be billed at **60¢ per bag**.

The Production is responsible for their own waste disposal. Our dumpsters are located outside at the North-west corner of the building, next to our Ground Level Loading bay door. If any bins are left full at the end of a job, production will be billed a **\$75 cleaning fee**.

KITCHEN USE

The 2D House Kitchen is used primarily for Food Prep and Food Styling. If the Kitchen is not in use by another production we do allow Fridge and Microwave access as needed, please be sure to let us know ahead of time whether you'll need the Fridge during your shoot.

House

The Prep Kitchen rate is **\$500/day** and comes with access to all available appliances, cooking utensils, cookware, dishes and cutlery.

POWER

Studio

Each studio has a dedicated 3 phase breaker panel for easy access to the outlets within your Studio. Studio Alpha and Bravo have 200A of power whereas Charlie, Delta, Echo and Foxtrot have 100A panels.

All 6 Studios come equipped with a 3 phase 100 Amp Disconnect with Cam-lock power available for an additional **\$150/day**.

We carry Seaway cables in house however at this time we do not have any power distribution (Towers of Power, 4A boxes, 3x20/diefs).

Exterior/Craft Truck Access

There are three exterior 3 phase disconnects available on the west side of the building that provide power to your craft truck on the day of shooting.

LUNCH AREA

We have a dedicated Lunch area located in the North-lane of the building right next to Studio Bravo and the Studio Desk. There are chairs and tables available that are included in the cost of your studio booking.

We ask that your crew please leave the Lunch area set up and speak with our staff if any additional tables or chairs are needed.

CYC STUDIOS

Studio Painting Fees

Alpha - \$150 (White)

Echo - \$75 (White)

Charlie - \$160 (Chroma Green)

Studios can be repainted to any colour you wish, please inquire for rates.

Floor Protection

We have booties for sale for \$1 per pair available at any time during your shoot as well as tennis balls available for rental. In addition to the booties we also have craft paper available in Studio free of charge.

Damages

Fees may be levied in the event the Cyc walls are damaged/broken by a Production during a shoot. These fees are at the discretion of 2D House and are determined on a case-by-case basis.

House

EQUIPMENT ACCESS

We have 3 Unique Studio Lighting Packages available for rental prior to your day of shooting. A la carte items can be requested ahead of time or on the day as needed.

Our staff deliver the gear on site to your Studio as requested, any extra equipment ordered on the day will be billed separately from the Studio Lighting Packages.

GENERAL

Areas Off Limits - Workshop

The workshop is for the use of 2D House Staff only and should not be accessed without previous permission from the Studio Representative on site.

Areas Off Limits - Gym

The gym on site is for 2D House Staff use only, under no circumstances should any member of your team enter or utilize these facilities.

Rentals Department

The Rentals department is not accessible from the Studio area on your day of shooting. If you require assistance from a Rental Tech, please notify the Studio Representative on site.

Loading Bays

Both the dock level loading bay and ground level loading bay are accessible at any time during the duration of your shoot. We ask that, in an effort to conserve energy, the doors are closed when unattended.

Vehicles can drive in to be offloaded but are to be removed from the building once finished.

Production Offices

Production offices come with couches, chairs and desks. Clients are allowed to move these as they wish but we ask that they are returned at the end of the rental term.

Craft services can be staged in the production offices but we ask that they are not used for catering.

Skyjack/Aerial Lift Use

Skyjacks are available for Client's use included in the rental of the Studios and are only to be used with prior approval from the Studio Representative.

All lift operators must provide a copy of their working at heights as well as an aerial lift certification. 5 point harnesses are available on site by request.

Studio Signage

Studio Signage must remain on the walls at all times and is not to be removed by production. If any signage is missing at the end of the rental term a **\$25 fee will apply**.

House

First Aid/Fire Extinguisher

There is a First Aid Kit and a Fire Extinguisher located at the Studio Desk.
An additional fire extinguisher can be found in the Prep Kitchen.

COVID-19 Safety Protocols

In accordance with government and industry guidelines, we have implemented a number of new safety measures to ensure our Staff and Clients remain safe during the Pandemic. Please reference our [Studio Health and Safety Guidelines](#) for a detailed look at the steps we have taken.

STUDIO ENTRANCE + PARKING MAP

Please have all of your crew enter through the Southwest man-door via the wooden staircase (next to the Dock-level Loading Bay).

This door will be unlocked and accessible 15 minutes before the earliest call time on the call-sheet.
